

Eva

*Polypropylene chair.
Painted metal legs.*

OM/442/NE

Beschreibung

Elegant yet informal at the same time, the Eva chair combines stylistic refinement with everyday practicality. A minimalist design that stands out for its fluid nature and the essentiality of its modern, rounded lines. Made of polypropylene, it is extremely sleek and versatile, yet highly stable and sturdy thanks to its metal base. A touch of color for modern kitchens and dining rooms.

Produkteigenschaften

- Polypropylene seat
- Black painted metal structure
